CHAIRMAN'S MESSAGE

Edwin (Eddie) M. Benfield Bio

Currently, I am the Supervisor of Nuclear Station Sciences for the Radiation Protection department at Duke Energy's Catawba Nuclear Station with oversight of six direct reports that are responsible for regulatory compliance and industry best practices. I have been in this position for two years and prior to that I worked as a field level technician in the areas of Surveillance and Control, Compliance, Respiratory Protection, Instrument Calibration, Radiation Protection Instructor responsible for Initial and Continuing Training, and Radiological Effluents supervisor. All told, I have 32 years of experience in the Radiation Protection field.

In 1996, I became a Registered Radiation Protection Technologist and have served as a member of the NRRPT Panel of Examiners, Chairman of the Awards/Scholarship committee, Vice-Chairman of the NRRPT Board of Directors and Chairman of the Exam Performance Committee.

I have been married to my wonderful wife, Anita, for 30 years, and have a 26 year old son, Clinton. My hobbies include playing the guitar, going to the beach, salt water angling, golfing with my son, traveling and spending time with my wife.

GENERAL INFORMATION

OBJECTIVE

The objective of the Registry is to encourage and promote the education and training of Radiation Protection Technologists and, by doing so, promote and advance the science of Health Physics.

MEMBERSHIP

Registered Practitioners are persons who have satisfied their registration maintenance requirements or who have not yet come to the conclusion of their first cycle. Practitioners actively support the **NRRT** by paying an annual sustaining fee.

Registered Supporters are members that pay annual dues but do not maintain registration requirements; supporters are also Fellow, Emeritus and/or Retired members.

Retired are members who have retired from employment.

Fellow is a status that has been awarded to certain registered individuals in recognition of their outstanding contribution to the Registry.

Member Emeritus are retired members who have applied for emeritus status and been accepted by the **NRRT** Board of Directors.

EXAM APPLICATIONS AND INFORMATION

Applications can be downloaded from our web site at www.nrrpt.org under the Forms tab.

Future Exam Dates:

Canadian:	June 26, 2015	Application & Fee Deadline – May 1, 2015
USA:	August 1, 2015	Application & Fee Deadline – June 12, 2015
USA:	February 20, 2016	Application & Fee Deadline – December 31, 2015

MEETINGS

An annual meeting of the Board of Directors and Panel of Examiners is held each year in conjunction with the Health Physics Society Annual Meeting. A mid-year meeting may be held at a site determined by the Board of Directors.

July 11 – 14, 2015 (Annual) Indianapolis, IN
January 30 – February 2, 2016 (Mid-Year) Austin, TX

PUBLICATIONS

Newsletter - An informational publication is available to practitioner and supporting members on a quarterly basis.

Membership Handbook - A publication of the Registry is available to practitioner and supporting members each year. Members are requested to keep the Executive Secretary informed regarding address changes.

REGISTRATION MAINTENANCE PROGRAM

The **NRRT** Registration Maintenance Program is designed to help assure that Registered Radiation Protection Technologists (RRPTs) continue to maintain their professional qualification. The program requires RRPTs to participate in professional development activities after their initial registration, and it monitors those activities on a periodic basis. Meeting the requirements of the program is mandatory to maintain active registration. In addition, the RRPT must maintain membership in the Registry for the entire maintenance cycle.

The Registration Maintenance Program began January 1, 1999 and requires 20 points to be earned in each five-year cycle. The cycle begins and ends on a calendar year basis, i.e., begins January 1 of the first year of the cycle and ends December 31 of the last year of the cycle. All points must be earned within the cycle to which they apply.

For RRPTs registered on or before January 1, 1999, the first cycle will begin on that date. The first cycle for those registered after January 1, 1999, will begin on January 1 of the year following registration.

If you have comments or questions please contact Mark Bayless, Continuing Education Committee Chairman at mbayless@lanl.gov.

COLLEGE CREDITS

The American Council on Education's College Credit Recommendation Service (ACE CREDIT) has evaluated and recommended college credit for 1 of the **NRRT** courses. The American Council on Education, the major coordinating body for all the nation's higher education institutions, seeks to provide leadership and a unifying voice on key higher education issues and to influence public policy through advocacy, research, and program initiatives.

ACE CREDIT connects workplace learning with colleges and universities by helping adults gain access to academic credit at colleges and universities for formal courses and examinations taken in the workplace or other settings outside traditional higher education.

For more than 30 years, colleges and universities have trusted ACE CREDIT to provide reliable course equivalency information to facilitate their decisions to award academic credit. For more information, visit the ACE CREDIT website <http://www.acenet.edu/acecredit>.

ARTICLES OF INCORPORATION

On April 12, 1976, the National Registry of Radiation Protection Technologists incorporated in the state of Tennessee. Steve Lancaster is listed as the resident agent.

CODE OF ETHICS

In achieving registration, the Registered Radiation Protection Technologist recognizes and assumes responsibilities due the profession of radiation protection.

The Registered Technologist, while active in the field of radiation protection, has a commitment to maintain technical competence. This shall be accomplished by remaining acquainted with scientific, technical, and regulatory development.

In order to uphold the integrity of the profession of radiation protection implied in this Registry, relations with others (including supervision, colleagues, governmental agencies, and the general public) shall be based upon and reflect the highest standards of professional ethics and conduct.

Registration may be revoked for action considered by the Board to be in violation of the "Code of Ethics." Any person for whom such action is contemplated shall have the right of appearance before the Board.

GRIFFOLYN®: CONTAINMENT SYSTEMS FOR OUTAGE, MAINTENANCE & CONSTRUCTION PROTECTION

For more than four decades, Reef Industries has been providing a variety of specialty reinforced plastic laminates to the nuclear industry. These products are ideal for containment during outages, construction, maintenance and decommissioning projects. Strong, yet flexible, lightweight and easily handled, Griffolyn® products are highly resistant to tears and have an exceptional outdoor service life.

Griffolyn® can be produced with specialized properties including fire retardancy and low contamination for safety applications around critical materials or work areas. Performance features such as corrosion inhibition and anti-static properties are also available for sensitive equipment. Products range in weight, thickness and special composites, and are ideal for:

- Floor covers
- Custom box liners
- Containment enclosures
- Bags
- Tubing
- Outdoor/Indoor storage
- Shipping covers for contaminated equipment
- Secondary containment systems
- Decontamination pads
- Underslab vapor retarders for critical applications
- Feed water heaters/rotor covers
- Soft-sided packaging for surface contaminated objects
- FME barriers

The advantages of using Griffolyn® containment products for new plant construction and maintenance projects are vast but the immediate recognized benefit is the reduction in the costs associated with improving project schedules. Griffolyn® products reduce the volume of radwaste, which in turn lowers disposal costs.

From assisting in the design of uniquely configured and fabricated products to one of a kind materials custom built from scratch, Reef Industries' highly experienced staff can fabricate a product that meets your exact requirements. Custom printing capabilities are also available to meet any message requirements. We can custom configure a product with nylon zippers, hook and loop fasteners, grommets, D-rings, webbing, pipe loops or many other possibilities. Reef Industries can work with exact dimensions, sketches and/or ideas to custom design and build a product specifically suited for your needs.

Stock rolls and sizes are available for immediate shipment. If you require dependable, long-lasting, cost-effective on-site fabrication tape, Reef Industries can supply you with pressure sensitive and/or double-sided tape. Custom design and fabrication are available in 7-10 days.

BYLAWS

ARTICLE I - NAME

1. The name of the organization shall be the National Registry of Radiation Protection Technologists, which hereinafter shall be designated the Registry.
2. An elected Board of Directors will administer the Registry program, and will hereinafter be designated the Board.

ARTICLE II - OBJECTIVES

1. The objectives of the Board shall be to develop standards and procedures for the registration of Radiation Protection Technologists; to institute examinations leading to registration; and to issue written proof of registration to individuals who possess the required qualifications for registration.
2. The objective of the Registry is to encourage and promote the education and training of Radiation Protection Technologists and, by so doing, promote and advance the science of Health Physics.

ARTICLE III - BOARD OF DIRECTORS MEMBERSHIP

1. The membership of the Board shall be at least five (5), and no more than twelve (12).
2. Members of the Board shall themselves be active, registered Radiation Protection Technologists.
3. Members of the Board shall act as individuals and not as representatives of any organization.
4. A. The term of office of each Board member shall be five (5) years, beginning on January 1 following election to the Board. The terms of office of Board members shall be staggered so that no more than four (4) terms expire on the Board each year.

B. The Board may reelect a sitting Chairman and extend their term on the Board for one (1) year, if they complete a full Board term at the end of the year. The Board may exercise this option two (2) times for any Chairman.
5. Organizations sponsoring persons for election to the Board shall place in nomination the names of one (1) or more persons for each vacancy. Election to the Board shall be by majority vote of the total membership of the Board from the nominations submitted, except as provided in Article III, Item 9.
6. When a member of the Board is unable to complete a term of office for any reason, the Board may, by majority vote of the remaining members, elect a replacement for the remainder of the term from candidates nominated within the past two (2) years or from among the existing membership of the Panel of Examiners. Upon completion of this term, this person will be eligible to serve a full term at the discretion of the Board.
7. A Board member may be removed from the Board for unethical conduct, or other just cause, by a three-quarters (3/4) vote of the total membership of the Board.
8. A member shall not be re-elected to the Board within a period of three (3) years following the conclusion of a full term of office.
9. The Chairman of the Examination Panel shall be selected annually from the membership of the Panel and shall have full voting rights as a Board member.
10. The Chairman of the Executive Committee shall be selected annually from the past Chairman of the Board and shall have full voting rights as a Board member.

ARTICLE IV - OFFICERS OF THE BOARD

1. The officers shall consist of a Chairman, a Vice-Chairman, and a Secretary-Treasurer chosen from membership of the Board by a majority vote of the Board.
2. The Chairman shall preside over the meetings of the Board. The Chairman shall appoint necessary ad hoc committees (and administrative positions) with the approval of the Board. Such appointments shall be for one year. The Chairman shall administer the business affairs of the Board, delegating duties to other members as appropriate. The Chairman shall utilize the **NRRPT** Operations Manual as approved by the Board to direct the administrative affairs of the Registry. The Chairman shall keep an accurate list of the membership of the Registry and the registration actions taken.
3. The presiding officer shall have no vote except in the case of a tie, under which circumstance, the presiding officer shall cast a deciding vote.
4. The Vice-Chairman shall perform the duties delegated by the Chairman, and, in the absence of the Chairman, shall assume the duties of the Chairman.
5. A. The Secretary-Treasurer shall keep a record of all meetings of the Board, and shall receive and be custodian of all monies due the Registry. The Secretary-Treasurer shall submit to the board the accounts for audit at the last Board meeting prior to the end of the term and shall transfer to the elected successor, with audit committee approval, all funds and properties of the office at the next Board meeting.

B. The term of office of the Secretary-Treasurer may be extended up to 3 months, at the discretion of the Board, to assure a smooth transition with the incoming Secretary-Treasurer.
6. The terms of office for all officers of the Board shall be one (1) year starting on January 1, following election.
7. The Secretary-Treasurer of the Board, and such other persons as may be designated by the Board may be bonded in any amount determined by the Board and by a bonding company approved by the Board. Expense of bonding shall be borne by the Registry.

ARTICLE V - MEETINGS OF THE BOARD

1. There shall be at least one (1) meeting of the Board each year.
2. Additional meetings may be called by the Chairman, or by request of a majority of the Board.
3. In order to conduct the business of the Board, a quorum of two-thirds (2/3) of the voting membership must be present at all meetings except as provided in Article V, Item 4.
4. A member of the Panel may sit on the Board as a proxy for an absent Board member, if the following conditions are met:
 - A. A two-thirds (2/3) membership is not present.
 - B. The Board members of the quorum shall constitute a majority.
 - i. In exceptional circumstances, as determined by the Chairman, the Chairman can invite up to two Board Members to attend via electronic media for the purposes of establishing the majority.
 - C. Verbal agreement for the proxy is received by the Chairman from the absent member prior to the start of the meeting.

- D. The absent member follows up with written or electronic correspondence confirming the proxy to the Chairman within fourteen (14) days. Actions of the Board will not be ratified until such written agreement is received.
5. When, in the opinion of the Chairman, essential Board action is required prior to the next scheduled Board meeting, approval may be a two-thirds (2/3) majority vote by telephone. The Chairman shall obtain ratification of this telephone vote by written or electronic correspondence. This action shall be entered in the minutes of the next Board meeting.

ARTICLE VI - FINANCIAL

1. All funds shall be paid into the office of the Secretary-Treasurer, where they shall be entered in the records of the Registry and deposited in a bank approved by the Board.
2. All monies due to the Registry shall be billed and collected by the Chairman, Vice-Chairman, Secretary-Treasurer or designated Registry employee(s) or Board members.
3. The Chairman, Vice-Chairman, Secretary-Treasurer or designated Registry employee(s) or Board members may expend funds from the treasury in accordance with the wishes of the Board.
4. The Secretary-Treasurer shall keep proper accounts of all financial transactions of the Board and shall submit an annual report.
5. The Chairman of the Board is authorized to approve expenditures of funds to provide travel, hotel, and other reasonable expenses to persons necessary in conducting the business of the Registry.
6. The application fee for registration shall be established by a majority vote of the Board. The application fee is not returnable after any portion of the examination procedure has commenced.
7. All monies received by Registry shall be used exclusively for the purposes of the Registry, or such other purposes as are within the meaning of Section 501(c)(6) of the Internal Revenue Code of 1954 (or the corresponding provisions of any future United States Internal Revenue Law).
8. The Chairman of the Board shall direct an independent audit of the Registry's financial control and account of funds on an interval not to exceed three years.
9. Investment funds of the Registry shall be managed by the Chairman, Vice-Chairman, Secretary-Treasurer or designated Board/Panel members in accordance with the wishes of the Board.
10. Withdrawals from the Registry's investment funds shall require approval from at least two individuals from the following: Chairman, Vice-Chairman, Secretary-Treasurer or designated Registry employee(s) or Board members, prior to withdrawal.

ARTICLE VII - EXAMINATION PROCEDURES

1. Applicants seeking registration shall apply to the Board on the designated form, approved by the Board.
2. To achieve registration, applicants shall be required to pass an examination approved by the Board.
3. An Examination Panel and a Chairman of the Examination Panel shall be selected by the Board. Each member of the Examination Panel shall be an active, registered Radiation Protection Technologist.
4. Members of the Examination Panel will serve for a term of four (4) years, with approximately one-fourth (1/4) of the membership initiated each year.
5. The Examination Panel shall prepare material for the examination and shall submit such material to the Board for approval.

6. An examination shall be held at least once (1) per year at a location, or locations, and a time determined by the Board.

ARTICLE VIII - MEMBERSHIP

1. Applicants fulfilling the requirements of Article VII, Item 2 shall be deemed members of the **NRRPT** and identified as Registered Radiation Protection Technologists.
 - A. The Registry may establish requirements for continuation of Active Membership, as appropriate to the furtherance of the Article II Objectives, by majority vote of the Board.
 - B. Members who elect not to sustain the requirements established in accordance with Article VIII, Item 1A, shall be deemed Inactive Members.
2. Members who have made sustained and substantial contribution(s) to the Registry may be appointed to Emeritus Membership by majority vote of the Board.
3. By majority vote of the Board, non-registered membership categories may be established in accordance with the Article II Objectives. Also, non-registered membership involvement in the activities of the Registry shall be determined by majority vote of the Board.
4. Following investigation of the facts by the Board and upon two-third's approval of the members of the Board, registration may be withdrawn for actions considered to be in violation of the Code of Ethics. Any person for whom such action is contemplated shall have the right of appearance before the Board.

ARTICLE IX - DISSOLUTION

1. Upon dissolution of the Registry, the Board of Directors shall, after paying or making provisions for payment of all liabilities of the Registry, dispose of all the assets of the Registry exclusively for the purposes of the Registry in such manner or to such organization or organizations organized and operated exclusively for charitable, educational, religious, or scientific purposes as shall, at the time, qualify as an exempt organization or organizations under Section 501(c)(6) of the Internal Revenue Code of 1954 (or the corresponding provision of any future United States Internal Revenue Law). Any such assets not so disposed of shall be disposed of by the Court of Common Pleas of Hamilton County, Tennessee, where the principal office of the Registry is located, exclusively for such purposes or to such organization or organizations as said court shall determine are organized and operated exclusively for such purposes.

ARTICLE X - POLITICAL

1. The Registry will not, as a substantial part of its activities, attempt to influence legislation or participate to any extent in a political campaign for or against any candidate for public office.

ARTICLE XI - CONFLICTS OF INTERESTS

1. A member of the **NRRPT** Board of Directors, Panel of Examiners, employees or their representative(s) shall not become involved with causes, organizations, or activities that conflict with the best interest of the Registry, or otherwise compromise in any manner the integrity of the **NRRPT**. A person involved in such activities may be censured, as deemed appropriate, with two-third's (2/3) vote of the Board of Directors.

ARTICLE XII - TRADENAMES, DESIGNATION, MARKS

1. The Registry (whose official name is "National Registry of Radiation Protection Technologists"), may do business under the tradename "NRRPT". Parties, when referring to the entity of the Registry itself, may refer to it by the acronym, **NRRPT**.
2. The designation, **NRRPT**, and the **NRRPT** logo (comprising the outline of the United States of America encompassing the **NRRPT** designation) are protected and exclusive trademarks, service marks, and/or membership marks of the National Registry of Radiation Protection Technologists. The Registry may from time to time adopt and use other designation, logos, and terms as its exclusive marks. All such marks of the Registry are collectively referred to herein as the "Marks".
3. The Board of Directors shall establish from time to time policies for maintaining control over the Marks, including regulations controlling use of the Marks by Members, and policies for licensing the use of the Marks in connection with goods and services.
4. Without the specific approval of the Board, no member shall use the Marks of the Registry in any way which will imply that the member's activities are sponsored by or endorsed by or approved by the Registry; rather, a person's sole right is to indicate that he or she is an active member of the Registry (if accurate) and that he or she is a Registered Radiation Protection Technologist (if accurate).

ARTICLE XIII - AMENDMENTS

1. These Bylaws may be changed by a three-quarters (3/4) vote of the Board.

In witness whereof we have hereunto subscribed our names on this 31st day of March, 2015:
